

# **VERY IMPORTANT INFORMATION**

**If you are absent:** you must see me either before school starts or at lunch the day you return; you should also get the learning goals and missed work from [www.mainlandfrench.wikispaces.com](http://www.mainlandfrench.wikispaces.com)

**Cell phones:** Please respect our learning environment and keep your cell phone away, unless otherwise directed by the teacher.

**Binders:** must be kept organized using tab dividers, with all required sections and will be randomly checked for a grade

**If you fail an assignment:** You can redo it. Classwork can be redone for full credit. Tests and quizzes can be retaken during unit lunch and the new grade will be averaged with the old one.

**If you have questions about your grade:** Please check Infinite Campus at least once a week. Also, I am in room A-1 for lunch every day. Any time you have questions about your grade or need help with an assignment, please stop in!

**If you forgot your homework:** you can still complete it for half credit. I will check it when I collect the homework packet for that chapter, at the end of the unit; assignments outside the chapter packet should be turned in right away.

**Please do not use translators of any kind!**

I want to see you succeed!

Please always give your best effort and ask for help when you need it.

Let's have a great year together!
